Add a little celebrity status to your lifestyle with a classic Celebrity Hot Tub®. Whether you want to relax alone, catch up with the kids, romance your love or party the night away, a Celebrity Hot Tub is the place to be. Quality-built in the USA and designed to perform, your Celebrity Hot Tub will play a leading role in your life, encore after encore.

Celebrity Hot Tubs will perfectly suit your lifestyle with features and systems to make certain everything runs smoothly.

High-flow therapy is the only masseuse you'll need. The high-flow therapy jets are engineered to provide low-pressure massage from your aching neck to your sore feet and every part in between. They vary in size, are adjustable and interchangeable to provide a unique feel to your soak.

Pristine with ConstantClean™. This brilliant water management system utilizes an automatic cleanup cycle after you've used the tub to help keep water perfect. You can also get an optional ozonator to eliminate contaminants, and an in-line system that utilizes sanitizer and minerals for clean, easy water care.

Extra sensations. Relax with the soothing sounds of a sparkling, backlit waterfall. Eye the bling of optional stainless-steel jets. Listen to your favorite tunes on the optional Motown™ audio system that's bluetooth enabled. Experience the 'wow' of a Celebrity lifestyle.

Safe and warm. Relax knowing your hot tub has an Owner's Protection Plan. Foam over plumbing insulation plus an Energy Cover allow for even better insulation and efficiency. We've got you covered from head to toe.
